

Where every
person feels
like they
belong

Northeast Wisconsin

- Three counties
- Personality profile of the area
- MCI: POINTTERS Community Initiatives, NEW Hmong Professionals, Partnership Community Health Center, CASA Hispana

“I moved here from another state and what you are doing here would never happen there ... People of color around the table, together.”

Core Trust Building

- Create an experience of belonging
- Acknowledgement
- Create trusted network
- Create a safe space through vulnerability
- Slow down
- Keep showing up
- Connect as humans
- Support, embrace, understand

Physical, mental health

Supportive good neighbors

People sharing same services

Raising a future through
good community, education
and support

Sharing equal opportunities
